## Zetland Court

Zetland Court is one of seventeen RMBI homes in the UK and is situated in its own grounds, a short walk from the beach in a peaceful area of Westbourne, near Bournemouth. Originally built in 1860, it has changed owners over the years eventually being bought by the Masonic Province of Dorset in the 1980s. Over the next two years a complete restoration of the building was undertaken, the RMBI covering all the costs. Zetland Court was eventually handed over to the RMBI by the architects in 1982 with the first residents moving in that November and with the official opening by HRH the Duke of Kent on 21st April 1983.

Zetland Court is run and staffed by the RMBI. It is registered for 63 residents, 13 in the intensive nursing unit, 5 in an elderly and mentally frail wing and 45 in residential care in the main building. There are also 3 residential rooms which take married couples.

If you would like to support Zetland Court and become a member of the Association of Friends of Zetland Court or you are an existing member and would like to change your membership status there are several types of membership to choose from e.g. Friend, Friend and Partner, Patron and Grand Patron. There are also membership categories for Lodges, Chapters, etc., Patron or Grand Patron. For details of all these membership options, to download a membership application form or to contact the AFZC just visit the Association of Friends website at **[www.zetlandcourt.org](http://www.zetlandcourt.org)**

# Foreword

The size and scope of the Dorset Masonic Calendar has naturally grown and widened over the 240 years of the development of the Masonic Province of Dorset, from a minor document, barely one quarter of an inch thick in earlier times, to its present substantial form of today. The publication contains a comprehensive wealth of information and reference, presented in a clear and concise format, and is made available to all members of the Province whatever their station.

The Calendar records the creation and progress of all of our 49 Lodges, (plus Royal Arch Chapters and other Orders) and lists, for ongoing reference and interest, the succession of the Provincial Executive, Grand Officers and Provincial and private Lodge Appointments year on year, together with detailed information of membership, meeting dates, locations and other important matters pertinent to each private Lodge and individual Member.

Researchers, and Brethren with an interest in reviewing the roots and history of their Lodges and Fellows, will be able to plot their own individual Masonic careers, together with those of other individuals, from their first entrance into the Order, details of their progress through the various Offices of the Lodge to the Worshipful Master's Chair and subsequent elevation, where appropriate, to Provincial and/or Grand Rank. Each page contains detailed information, readily available as a current source of reference and reminder, or as an evolving record of the long and detailed history of our Province.

In short, this series of volumes may be used in conjunction with other Provincial documents to widen each Brother's awareness of his Lodge, his Province as well as his predecessors and contemporaries.

Such a publication, updated as it is in detail each year, cannot be of true value unless it contains accurate and reliable information. If any individual by chance discovers any item of doubt or error, especially if relevant to his own personal details and Masonic

career, it is hoped that he will make the effort to contact the Editor, using the details supplied within, to advise him of any necessary adjustment or correction. Only in this way can we be absolutely sure that the ever-growing records contained within the complete set of volumes remains faithful to a true representation and record of this Province.

In commending these pages to you as a ready and easily portable source of reference and information, I would also draw to your special attention our very comprehensive Provincial website at [www.dorset-freemasonry.org](http://www.dorset-freemasonry.org) which contains a wealth of valuable information. The website which is updated on a regular basis provides additional news and detail of interest which is not necessarily to be found in the Calendar.

I have agreed with the Calendar editor that from now on it will be published and made available to all Dorset Masons in November each year. The advantage of this is that it will contain details of all the appointments and promotions made at the Annual Meeting of Provincial Grand Lodge at Sherborne in October.

This annual publication cannot be achieved without a great deal of dedication and industry on the part of those responsible for its creation. I therefore take this opportunity to record my admiration and grateful thanks to the editor, WBro Matthew Burt, PPrSGW, and to those of you who assist him with the timely submission of the information necessary to allow him to co-ordinate and present it in its orderly and user-friendly form.

I hope that this year's Dorset Calendar will be of interest and value to you all and that you will continue to enjoy your Freemasonry to the full, in whatever direction that may take you, during the forthcoming Masonic year.

# Provincial Grand Charity Steward

It's now a full year since my appointment as Provincial Grand Charity Steward and it's been a very busy year. My role started with the collation and preparation of the annual Provincial Charity statistical report on behalf of our Provincial Grand Master for submission to the MCF. With all the Lodges in Dorset contributing data, this information was compressed into a generalised form and used to create the report forming a useful indicator of the health and direction of charitable giving across the Province.

The statistics showed, as they do every year, that Dorset Freemasons work hard to support local and national charities, with over 150 different charitable causes supported, both non-Masonic and Masonic. A total of over £120K was disbursed to assist charities that range from hospice and care homes, to Air Ambulances, Veterans associations, Youth organisations and many more. This support is something we, as Dorset Freemasons, should be very proud of. As your Provincial Charity Steward, it's a privilege to be a party to this information and a humbling experience to witness the generosity of our members in pursuit of one of the core principles of our noble institution - especially in these difficult times. My heartfelt congratulations go out to you all for your continuing efforts. The main part of my focus for this year has centred around helping to set up and co-ordinate the preparations for the next period of the Festival, which has been branded with the name "**Festival 25**". Following the Provincial AGM, this coming October, the Province of Dorset will be back in full Festival mode; this time for the Masonic Charitable Foundation, culminating in 2025. The Festival system is the main source of income for the MCF, and enables it to provide support and assistance to Freemasons in Dorset and across the country. It also actively supports local charities directly, both in our county and further afield.

With this in mind, our primary charitable focus must move over to support Festival 25, but without completely losing sight of those local causes we also assist. I have been working hard since the new year to help ease Lodges and the Province into this process and make Festival 25 a success, whilst keeping Dorset Freemasonry connected to our local communities. This can only be achieved with the co-operation and support of you all, which I have every confidence you will cheerfully embrace.

## **Provincial Grand Almoner**

We now have a much clearer picture of the numbers of Masonic widows in this Province, following an exercise recently. This is not complete, as some Lodges have declined to take part, but much better than it was, and I was able to advise the MCF and Provincial Grand Master accordingly.

A new Broken Column Club is in the very early stages in West Dorset, and is intended to cover Bridport, Beaminster and Lyme Regis, with meetings possibly spread between the three Lodges. I would also like to see one set up in the North of the County if possible.

The MCF has been a victim of its own success, recently with several members of staff enticed to other charities with the promise of bigger salaries. However, the management of the MCF has responded well, recruited and trained replacements, and are back on track. It was also very good to see recently, how the Province, MCF and DMC worked together to help fund a hugely expensive operation for the three-year old granddaughter of a Dorset Brother, to enable her to walk.

Loneliness, is the next area I think should be looked at. We must remember it is not just ladies who are left on their own. We have many Brethren in that situation. Age UK have recently joined with the MCF to do just this, and I shall be following this up to investigate.

My sincere thanks to all Lodge Almoners for the work they do, and the way they have adapted to the new role under the MCF format.

## **One Hundred and Thirty-Eighth Annual Report for 2019**

In recent times Freemasonry has accepted that, in order to extend its successful existence into the future, it must be prepared to adapt to meet the changing expectations and needs of both its current and potential new members. Freemasonry has already embarked on a comprehensive programme designed to address its perceived needs and the ongoing success of DMC demands a similar approach. Consequently, the matter has been the subject of extensive discussion by the Trustees, reflecting on opinions expressed in an earlier survey carried out across the total membership of the Province.

The summarised opinions expressed in that survey offered an accurate and emphatic assessment of what is required to reinstate DMC into its earlier position as an effective and highly regarded Dorset asset.

The general consensus of opinion expressed in the survey was that:-

1. The image of DMC requires rejuvenation.
2. There should be a closer relationship between the Charity's income and expenditure.
3. Provided the level of funding is maintained sufficient to meet the needs of members and their dependants, DMC should also consider the support of suitably qualifying non- Masonic charities.
4. In assessing applications received, DMC should resist any tendency towards negativity wherever possible. Maximum recognition should be given to the advantage to be gained by a close liaison with the Masonic Charitable Foundation where agreed shared funding may benefit the applicant.
5. Electronic communication should be used wherever possible in order to maintain members' awareness of grants being dispensed This would serve to provide a more accurate indication of issues DMC is able to address. Steps should also be taken to ensure that the needs of Lodge widows, as well as members unable to attend meetings, are given due attention.
6. The process of applying for assistance should be clearly explained in such a manner as to be capable of being clearly understood and guidance should be available where required in completing an Application.

7. Applicants should be made aware that the completion of an Application Form is not designed to be unduly intrusive, but rather to more accurately assess the nature and level of need of the Applicant.
8. Applicants should be advised of procedures in place for maintaining confidentiality.

**Points worthy of note**

1. Against the background of these observations, DMC is undergoing a process of being rebranded, and more extensive use of MIDAS is being applied to maintain contact between DMC and Lodges.
2. There will now be increased scope for the support of non-Masonic charities referred to in 3. above. The recent response by DMC, which resulted in its purchase of a new sailing dinghy for the Portland Sea Cadets amounting to £3,562.00, illustrates our ongoing wish to support worthy local non-Masonic causes. Reference to the minutes of previous bi-annual meetings of the General Committee circulated to all Lodges will illustrate further categories of need satisfied by DMC.
3. Maximum positivity is being applied in the assessment of Masonic Applications received, reflecting acknowledgement of the evolving needs of modern society.
4. Provision for Lodge Almoners to assess applications for emergency grants not exceeding £250 has already proved to be effective in addressing minor urgent needs, and should the situation require further support of a similar nature, the Lodge Almoner has authority to repeat the facility.
5. Apart from a per-capita annual grant of £10.00 to each branch of the Broken Column Association, the cost of coach transport required for specific social occasions is also supported. Similarly, assistance is available in cases where Broken Column Association members experience transport difficulties in attending meetings. In such cases, prior contact with DMC is advised.
6. The Provincial Almoner's membership of the Relief and Assistance Committee, charged with assessing Masonic applications, provides an advantageous link between DMC and the MCF – ensuring optimum coverage and scope for support of all applications received.
7. Each of the three acting members of the Relief and Assistance

Committee is available for consultation in respect of Masonic applications and use of this facility prior to submission of a case, may prevent the embarrassment and disappointment arising from an application failing to qualify.

8. A register of Lodge widows is being compiled to ensure that they may be constantly protected by the umbrella of DMC and MCF care.
9. By virtue of the amendment to the Bylaws, involving non-Masonic charities, together with the Charity Commission's judgement that no element of DMC funding is required to be restricted for specific usage, there is now greater scope for matched funded DMC / Lodge support for approved local non-Masonic needs. A proposal is being developed for presentation to Lodges which, if adopted, should encourage their greater participation in determining how funds may be employed.

Meanwhile, Lodges are asked to continue to play their part in identifying cases of need and encouraging potential applicants to benefit from the assistance that both the DMC and MCF can offer. Of those, some may not be fully aware of their entitlement and others may be reticent due to fear of lack of confidentiality within the system. The solution requires maintained links with our widows and Lodge members, particularly those who are less able to maintain regular attendance at meetings. Many will have offered lengthy periods of valuable service to Freemasonry, and we owe them our reassurance that our debt to them will not be overlooked should the need for help arise.

## Aims and Objectives

The Charity is committed to providing relief to necessitous\* Freemasons of the Masonic Province of Dorset and their dependants. It also embraces the dependants of Freemasons who reside within the Masonic Province of Dorset who did not subscribe to a Dorset Lodge.

The Charity is also committed to promoting the cause of Masonic Charity within the Masonic Province of Dorset and the Craft at large. It also supports other registered charities in special circumstances.

### Applications

Every Application for relief and assistance shall be made through the Lodge of which the Brother is, or was a Subscribing Member. Such Application shall be signed by the Almoner and when signed shall be sent to the Hon. Secretary of the General Committee, so as to reach him one week prior to the meeting at which the petition is to be presented.

### Qualifications

A Donation of £50, either in one payment or in sums of not less than £25, constitutes a Vice-President.

A Donation of £100, in one payment, or in sums of not less than £25, constitutes a Vice-Patron.

The Qualification for Lodges, Chapters or Societies, are the same as for individual Donors or Subscribers.

# Dorset Ashlar Housing Trust

Dorset Ashlar Housing Trust (DAHT) is a Charity run by a Committee of Dorset Freemasons, to provide subsidised accommodation in a purpose built block of twelve flats in North Road, Parkstone, Poole.

The accommodation at Kenneth Cross Court, which was opened on the 31st March 1993, is provided for the benefit of Masons who are members of Lodges in the Masonic Province of Dorset (and other Provinces in England & Wales at the discretion of the Trustees) and their widows who are in necessitous circumstances. The rents are subsidised to allow those less fortunate to have a comfortable home in the company of others having similar interests and experiences.

Kenneth Cross Court consists of ten two-bedroom flats and two one-bedroom flats, on three floors, with lower ground floor parking. The building has a fire alarm system and has emergency lighting in the communal areas. There is a door entry security system and each flat is well equipped for modern living. The flats have been designed and built to a standard suitable for disabled persons with a lift serving all floors.

DAHT is run by a Management Committee consisting of Trustees and appointed Officers. A Residents Association operates so that all tenants are able to communicate freely with the Committee and one another. Social events are also encouraged and organised by the Committee.

Information in respect of flats becoming available is distributed to all Lodge Secretaries and Almoners who are encouraged to identify those members who might wish to apply for a tenancy. Lodge Almoners are also requested to keep in regular touch with all Masonic Widows throughout Dorset so that they may similarly submit applications.

If you, or anybody you know of who might meet the criteria for tenancy, wish to know more about Kenneth Cross Court, please ask your Lodge Almoner to put you in touch with the DAHT Secretary.

# The Broken Column

The broken column brooch was first introduced in the American Civil War in 1861 for the ladies of those Masons who were engaged in the hostilities.

Inevitably, many of these brethren did not return, and as the ladies continued to wear the brooch it gradually became accepted as a Widows Brooch throughout North America and Canada. More recently it is having increasing acceptance throughout the United Kingdom.

This brooch is intended to symbolise our continued concern for you, the widow of a brother mason whose name added lustre to the Craft as he laboured with us and is now added to the Celestial Role.

It is our desire that it will be a reminder of your ties to us indicating a relationship where you will find friends who will assist you in times of need, join with you in times of gladness and welcome you to a long association with us as we continue our labours of friendship, Brotherly Love and Truth.

This brooch has therefore been adopted as an identifying emblem in the hope that it will be worn by you, the widow of a Master Mason, on all appropriate occasions, especially when travelling so that you may be recognised, greeted and assisted as and when necessary by Masonic friends not only in Dorset, but throughout the world.

Please wear this brooch with pride, remembering that you are not alone.

**We are here, we care and we wish to help.**

# Broken Column Association

The Broken Column Association is the group name for a number of branches formed in the Province for the sole benefit of our widows. Every branch is independent and run exclusively by the ladies for and on their own behalf. Monthly meetings are held at the various Masonic halls. Each branch raises its own finance which in turn is supported by the Dorset Masonic Care. The branch co-ordinator is WBro Geoff Thomas, TEL 01258 858878. Each branch has an appointed liaison officer as follows:

- |            |                 |              |
|------------|-----------------|--------------|
| • Wimborne | WBro Paul Mead  | 01202 897885 |
| • Portland | Bro Rick Green  | 07771 876848 |
| • Poole    | Bro Ray Hollard | 01202 622230 |

Membership is not confined to Dorset widows, it is open to all masonic widows, irrespective of where their husband's lodge met.

# **Museum and Library**

**The Masonic Hall, 57 Ashley Road,  
Parkstone, Poole BH14 9BT  
Tel 01202 736323 see map on page 46**

## **Opening Times**

Open on Tuesday and Friday Mornings 9.30am to 12 noon, and at other times by prior arrangement with the Curators. This Province is considered to have the finest Masonic Museum outside Grand Lodge with some 8,000 exhibits and 1,000 books available for reference.

## **Please Pay Us A Visit In The Current Year**

The Curators will be pleased to conduct parties around the Museum. Brethren and their Ladies are very welcome. Meals can be arranged for a minimum number of thirty. Why not make up a party and visit your Museum. Contact WBro Peter Shenton.

## **Regalia**

New and Second-hand Regalia and Jewels are available for sale at competitive prices. A limited number of standard items are held in stock, others can be obtained to order.

## **Personal Jewellery and Masonic Giftware**

A selection of Jewellery and Giftware is held in stock with other items available to order, offered at below list price. Contact WBro Fred Russell.

## **Donations, Gifts and Legacies**

Items of Masonic interest will be much appreciated. The Curators acknowledge, with grateful thanks, those received in the past year.

## **Dorset Provincial Museum & Library**

It is with disappointment that again, of the 90 odd Provincial Craft Appointments and Promotions that are awarded each year, on average only 35 brethren use the Museum as their first resort for regalia.

I have previously mentioned that the Museum is dependent upon generating an income to meet the annual running costs and this can only be achieved through the sales of regalia etc. which is why I have expressed my disappointment.

As I have said, we have a very favourable trading relationship with A.R. Fabb & Son in Ferndown, so whether you choose to buy from them or buy from the Museum, you will be getting the same thing.

As regards interest in the Museum, only a few brethren have visited independently from coming specifically to make a purchase but they have been very pleasantly surprised at the wealth of exhibits and appreciated the hereditary of our Institution.

The past year has been primarily focussed on our collections of Certificates and Documents and we now have a complete list of every certificate we hold (just over 1500) which are all numbered and stored in proper archive quality sleeves and boxes. They cover almost every degree and side order ranging from Letters Patent belonging to past PGMs to one of our earliest Certificates issued to William Foster of Boyne Preceptory No. 156 (Irish KT) dated 7 May 1792 (yes, it is 228 years old).

For the first time we now have a proper Document Archive with more than 3700 documents correctly stored in protective sleeves and archive boxes, divided into specific masonic groupings, the detail of which is stored on the database. This enables us to search through this body of history without actually touching the documents. So if you have documents at home which are getting under your feet and you feel that you need to move them on – think of us first – we now have the space and the structure to take them on!

David Boylin, musician, organist and qualified electrician, undertook the lighting up-grade work, and by paying us a visit, will any of you see how the museum has morphed into a new incarnation which is by no means definitive, as ideas create ideas but we think we are getting pretty close.

Once again, I suggest that maybe the lodge Mentors might consider promoting and / or accompanying newer brethren on a visit to enhance their masonic education. I am conscious that many members are in full time employment but if a group with genuine interest could be organised, I will be quite happy to open up on a Saturday morning.

**For Freemasons, for families, for everyone**

Funded entirely through the generosity of Freemasons and their families, the Masonic Charitable Foundation is one of the largest grant-making charities in the country.

Most of the support provided by the Masonic Charitable Foundation takes the form of financial grants to individuals and families to assist with daily living costs. We can also award grants to provide specific items or services.

A range of health and care needs, including medical and dental treatments, counselling and mobility aids or home adaptations are supported, with funding also available for respite, residential, nursing and dementia care.

Our professional Advice and Support team offers confidential and practical guidance about the support available from the Masonic Charitable Foundation and many other organisations.

In addition to the support we provide to Freemasons and their families, the Masonic Charitable Foundation awards millions of pounds each year to local and national charities that help vulnerable people, advance medical research and provide opportunities for young people.

We also help to fund vital services such as hospices and air ambulances and regularly contribute to worldwide appeals for disaster relief. In total, our support helps to improve the lives of thousands of people every year in England, Wales and internationally.

The Foundation brings together the work of four national Charities which had been operating separately under various names since the early 18th Century.

**Freemasons' Grand Charity**  
(Registered Charity No. 281942)

The Freemasons' Grand Charity provides assistance for Freemasons and their dependants who are experiencing financial hardship or need. Grants are made towards daily living costs (e.g. utility bills and food) and unexpected needs (e.g. hardship faced following an accident, redundancy or other personal crisis). The Freemasons' Grand Charity also provides funding for charitable projects and services in the areas of medical research, support for vulnerable people, youth opportunities, hospice services, air ambulance services and worldwide disaster relief.

**RMBI**  
**Royal Masonic Benevolent Institution**  
(Registered Charity No. 207360)

The Royal Masonic Benevolent Institution provides residential, nursing and dementia care for older Freemasons and their dependants, as well as short-stay breaks including respite care. Practical advice and support is also offered on health and welfare rights and on all aspects of the services offered by the RMBI, the other Masonic Charities and by statutory and voluntary agencies.

**Royal Masonic Trust for Girls and Boys**  
(Registered Charity No. 285836)

The Royal Masonic Trust for Girls and Boys supports children and young people who face financial hardship following a distress. Financial grants and practical welfare assistance help them to overcome the barriers of poverty and complete the education and training they need to succeed in life. Grants are available to support everyday educational expenses and costs such as computer equipment, extra-curricular activities and school trips. Support is available for a Freemason's children or grandchildren of any age until the completion of their full-time education.

**Masonic Samaritan Fund**  
(Registered Charity No. 1130424)

The Masonic Samaritan Fund offers financial support to eligible beneficiaries in the following ways:

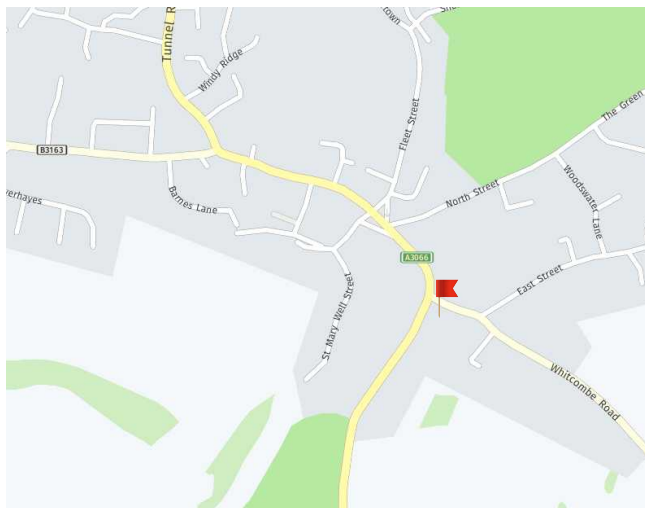

- ✓ Medical Care and Treatment
- ✓ Dental Care and Treatment
- ✓ Respite Care
- ✓ Mobility Aids
- ✓ Home Adaptations
- ✓ Counselling Careline

Support is available to Freemasons, and eligible dependants, who have an identified health or care need and, faced with a long wait for treatment, care, aids or adaptations, cannot afford to pay for private treatment or equipment without incurring financial hardship.

## Reasons to be exalted into Holy Royal Arch Masonry

1. To complete your Craft Masonry in accordance with the Preliminary Declaration in the Book of Constitutions.
2. The Craft and Holy Royal Arch are intimately interwoven in one complete system and together complete pure Antient Freemasonry.
3. The Craft teaches a system of morality founded on the principles of Brotherly love, relief and truth which form the rules for our earthly pilgrimage. The Holy Royal Arch extends this teaching by considering the eternal welfare of man and completes the system of morality by considering the deeper meaning of truth in the context of eternity.
4. The companionship and teaching of the Holy Royal Arch enables individuals to find an even happier and deeper relationship not only with their fellowmen, but more importantly, with their God.
5. Joining the Holy Royal Arch will widen your Masonic acquaintances and enables you to increase your Masonic experience and knowledge. It is also a prerequisite to be able to join the Operatives, the Allied Masonic Degrees, the Royal and Select Masters, Knights Templar and the Red Cross of Constantine.

**From the foregoing you can see that joining the Holy Royal Arch will bring new experiences, new insights and contacts with new Companions all of which will not only add to your pleasure and enjoyment of Freemasonry but will be the completion of Craft Masonry and your journey through pure Antient Freemasonry.**

**To find out more please read the booklet “Why Join the Royal Arch” and discuss with your Lodge Holy Royal Arch Representative any questions you may have.**

# Foreword

## Address given at Provincial Grand Lodge – Saturday 21<sup>st</sup> September 2019

Brethren I cannot believe that another year has gone by so quickly and that I am once again standing here before you.

My address will as normal be in three parts, a look back on some of the highlights of the year just gone, a look forward to the year ahead and then the many thank yous that are so well deserved.

The year just gone started with the presentation of a Treatment Centre to St John Ambulance on Sunday 21st October 2018 on behalf of the Mark Benevolent Fund. I had great pleasure in making the presentation at their headquarters in Wallisdown accompanied by 30 or so Dorset Mark Masons and in the presence of amongst others the Lord Lieutenant for Dorset, Angus Campbell and the Prior of England and the Islands, Surgeon Rear Admiral Lionel Jarvis and from the Mark Benevolent Fund The Charities Manager Darren Coleman-Heald and John Bell a Trustee. It was a lovely sunny day and everyone had a very enjoyable time. I hope you all managed to have a look at the vehicle as it was parked outside today. Also parked outside was the Blood Bike that I had the pleasure of presenting to the Yeovil Freewheelers at Dorchester Hospital on Saturday 11th May 2019, again accompanied by a large contingent of Dorset Mark Masons and numerous Blood Bike riders and Hospital staff, it was another lovely sunny day. Brethren you raised the amazing sum of £12,000 in a little over 8 months, a truly magnificent effort by the Mark Masons of Dorset considering the size of the Province. We are well on the way to raising money for the second bike and I hope to be able to order it before the end of the year. This second bike will be donated, not just from the Mark, but from the Masonic Orders in Dorset and we have already received donations from the Royal & Select Masters, the Scarlet Cord and a fantastic £4000 from our new Craft Provincial Grand Master from the Provincial Chapter Funds in his other role as Most Excellent Grand Superintendent. Such is the support for this very worthy cause. Also outside was the 'Doc Bike', another local initiative started by Dr Ian Mew who flies on the Dorset and Somerset Air ambulance. Ian's main focus is promoting safer riding by those on two wheels as well as answering call outs to RTAs on his well-equipped motorbike, sometimes getting to an incident quicker than the Air Ambulance. Ian could not be here today as much as he wanted to be, as it is his parents golden wedding. His goal is to eventually see a Doc Bike attached to every Air Ambulance in the Country.

The two popular Provincial Lunches, Christmas at Blandford Masonic Hall and Spring at the Mayfair Hotel in Bournemouth were again full to bursting and raised wonderful amounts for Charity.

On June 11th a goodly number from Dorset attended the Grand Lodge Investitures held in Great Queen Street, it was again a full house and overflow rooms were in use in the Connaught Rooms for dining, even with the new arrangements in place to confer the Promotions in September.

Those receiving preferment were:

David Eaton appointed to active Assistant Grand DC

Kim Orton appointed to PAGDC

Just a week last Tuesday we were again in attendance to witness:

WBro Laurie Brookes promoted to PGSD and our retiring Provincial Grand Director of Ceremonies Richard Micklefield receiving promotion to PGJD.

The next year is starting to look a busy one as well, with just one days rest I shall be at Victory Mark Lodge on Monday to celebrate their Centenary in the company of the Pro Grand Master and the Grand DC.

Next Saturday 28th September I shall be at Portsmouth Guildhall for the 250th celebration of Phoenix Mark Lodge. Not something I am likely to witness again.

In October I will be flying to Bucharest to attend the consecration of the Inspectorate of Romania the following day, another first for me.

The Christmas Lunch this year will be held here in Portland to enable us to accommodate the numbers that wish to attend, this will be held on Sunday 15th December.

The spring lunch at the Mayfair Hotel is booked for Sunday 26th April 2020, a long way away at the moment but early booking is recommended to avoid disappointment.

In the last year the Province had 19 Advancements and 7 Joining members in the Mark and 9 Elevatees and 5 Joining members in the RAM. These are encouraging figures in a Province our size. Our smallest Mark Lodge has 23 members and the largest 62. I believe if a Lodge has more than 20 members it is still quite viable, so good news on these figures. However we had 11 deaths not something we can do anything about but also 14 resignations. Some of these are due to advancing years or failing health which we have to accept, however to try and retain some of the others, in the future I have charged my Deputy with making contact with every brother who tenders a resignation and to see if there is anything we can do to change their mind. I feel that with his roles in the Craft as Provincial Mentor and membership officer he is right man to undertake this task.

As to the future Brethren please keep up the good work on recruiting for the Mark and Royal Ark Mariners, ever remembering we must also find good men to join the Craft so that we can then Advance them into our wonderful order.

I end this address with a number of thanks, first and foremost I would like to thank my wife, Sheila, for her unstinting support for me.

As some of you may be aware seven weeks ago to the day, Sheila tripped whilst we were walking to our local Italian Restaurant, the result of which was she shattered her right elbow and left kneecap spent 10 days in hospital during which she had plates and screws fitted into her arm and a brace on her leg from ankle to upper thigh. She is healing well because of my superb caring! Although mobility is still somewhat impaired and I am still needed as her private chauffeur. Sheila has asked me to thank all those who sent cards, flowers and messages of good will. Again I thank you all for attending today, it would be pretty lonely standing here on my own. Thanks to all those involved in making this day happen, to our Secretary Bob Parkes and to his Deputy Kim Orton. To the retiring Director of Ceremonies Richard Micklefield and his team of Eddie Kusminoff and Peter Talbot for the ceremonial elements and again Eddie and Bob Parkes for producing the seating plans both here and at lunch. Alan Wakeford for assisting today and to Andy Kelly for printing the menus. To Portland and Shaftesbury Hall and the caterer Adrian and his girls and to Vanessa and the bar staff. To the Portland Team, my Deputy Vic Pomeroy & Trevor Barrett for coordinating the team of helpers some of whom were here all day yesterday and are today manning the carpark, the bar in Shaftesbury Hall and will be breaking down this room while we are enjoying the first drink of the day, too numerous to mention but they all know who they are. To my Executive and Provincial Officers who carry out their duties throughout the year in such an exemplary manner they might at times be overlooked. My fellow PGMs for their friendship and humour and in whose company I spend some very enjoyable times throughout the year.

And last but not least to you, the Brethren of Dorset for your support and good company, not just today, but throughout the whole year, long may it continue.

It is truly an honour and a great privilege to be the Provincial Grand Master for this wonderful Province of Dorset.

God bless you all.

# Information

The following details are intended to draw the attention of those Brethren who are not already members, to the existence of the Mark Degree and hopefully to provide sufficient information to stimulate an interest in it. Any Master Mason, therefore, if so stimulated is invited to seriously consider "taking the fourth regular step" by contacting the Secretary or any Member of one of the thirteen Mark Lodges in the Province detailed in the following pages.

The Book of Constitutions clearly states that "pure Antient Masonry consists of three degrees and no more, viz, those of the Entered Apprentice, The Fellow Craft, and the Master Mason, including the Supreme Order of the Holy Royal Arch". This seems a strange statement bearing in mind that, prior to the Act of Union between the two Grand Lodges of Free-Masons of England in December 1813, a form of the Mark Degree was extensively worked in both London and the Provinces. Indeed there is clear evidence that the Degree was being worked as early as 1723. Furthermore, on the last page of a document held by the Provincial Grand Lodge of Durham and dated 1756 can be read the following : "There being met part of the Body of the Lodge they taking into their serious consideration that no member of the said Lodge shall be made a Mark Mason without paying the fee of one Scots Mark..."

In England today, the Mark Degree is totally separate from the Craft, having its own Grand Lodge which was founded on 23rd June 1856. In Scotland, New Zealand and many other countries, the Mark Degree still forms part of either Craft or Royal Arch Masonry, and a candidate may have it conferred upon him as soon as he becomes a Fellowcraft.

The Mark Degree is one of hope and encouragement, the ritual being built around a single verse from Psalm 118 "The stone which the builders rejected has become the head stone of the corner". It deals with the building of King Solomon's Temple and involves the various Craftsmen employed in that task, but its real message is one of contemplation of human strength and weakness. The Degree contains many other messages for the discerning Mason but in particular that the wisest of men can be mistaken, that the experts are frequently wrong, that the weakest often display far greater perseverance than the strongest, that the insignificant have potential for distinction and that we all have a part to play in the Building of Life. It is for each of us to put our own interpretation upon the messages which the Degree proclaims, but we are clearly encouraged to

believe that no man is beyond redemption and that the possibility of distinction is always within our power. Whatever our religion the message is one of hope of which, for the Christian, is clearly expressed by Peter in the Book of Acts, where he says of Jesus, "This is the Stone which was set at nought by you Builders, which is become the Head of the Corner".

Finally the Degree reminds us that when all the wisest and cleverest of men were gathered Only One looked towards the West and saw the sunbeam strike the roof of the Temple. The Degree represents the everyday life of each one of us, for the Stone hewn from the virgin rock depicts us all on our journey through life, and the final recognition that perfection should be the guide to all our conduct so that "we may be found worthy".

## About the Order

This degree is open to all Master Masons. The 'Mark' portion of the title of the degree takes its name from the practice of the stonemason appending his unique mark on his work to identify it, either for the purpose of subsequent payment or simply for posterity or as a matter of pride in his work, a practice which has existed from time immemorial; cathedrals and other prominent buildings all over the world carry the marks of the men who built them which can still be seen quite clearly on masonry which is over a thousand years old.

Although there is no hard evidence to support it, in all probability the stone mason lodges, having been set up in the first instance as part of a medieval 'trade union' to protect the interests of time-served craftsmen and prevent infiltration by bogus builders, became refuges for its members and created a way of life and set of rules for its members to follow which would have certainly been based on religious principles (i.e. in those days Christianity). The ethical standards adopted by such lodges would have been high, and loyalty between its members would have been strong. The lodge therefore would have been a sought-after organization to join.

Assisting Mark Master Masons in distress**

This fund was founded in the year 1868 for the purpose of rendering assistance to Mark Master Masons in distress, and to their widows and children.

### **SUPPORT OFFERED / ELIGIBILITY**

The main object of the Fund today is to afford assistance to needy Mark Master Masons, their widows, children or sisters, by means of immediate grants, provided that the Brother, if living, is qualified at the time of the application or, if deceased, was so qualified at the time of his death, under the rules of the Fund as laid down in the Constitutions and Regulations.

The General Board may grant a sum not exceeding £14,000 to a Mark Master Mason or wife of a Mark Master Mason, or to a widow, sister or dependant of a deceased Mark Master Mason. In exceptional circumstances, with the consent of the Grand Master, a larger grant may be awarded.

Grants may also be made to enable a Mark Master Mason or his wife to meet expenses incurred during convalescence, and to assist in the education, maintenance and clothing of the necessitous children of Mark Master Masons.

### **HOW TO APPLY**

Petitions for relief, which must be submitted through a Mark Lodge of which a Brother is, or was, a member, may be obtained on application to the Honorary Secretary of the Fund at the address above.

# Mark Benevolent Fund

The Fund which is administered by the General Board, is for the assistance of necessitous Mark Master Masons, their widows, sisters and children, or to such charitable purposes as may be specially sanctioned by Grand Lodge. Grants may also be made to enable a brother or his wife to meet expenses incurred during convalescence after illness. Forms of Petition (which will be promptly and carefully considered by the General Board), and any further information may be obtained from the Honorary Secretary of the Fund, Mark Masons' Hall, 86 St. James's Street, London SW1A 1PL who will gratefully receive the names of Ladies and Brethren willing to act as Stewards at the forthcoming Festival. Donations to the Mark Benevolent Fund of the following sums confer the qualifications set against the respective sums subscribed.

|                      | Brethren | Ladies/Lewis |
|----------------------|----------|--------------|
| Life Governor        | £100     |              |
| Vice-Patron          | £250     | £125         |
| Patron               | £500     | £250         |
| Grand Patron         | £1000    | £500         |
| Grand Patron Gold    | £2500    | £1250        |
| Grand Patron Diamond | £5000    | £2500        |

**Individual Donations:** It is very easy for a Brother either on his own behalf or for his lady to make a donation direct to the Fund at Mark Masons' Hall when his own Province is not in a Festival or wishes to support the current or a future Festival. Any sum above a minimum of £10 will be credited as requested and will be aggregated towards a fund qualification. The appropriate jewel or collarette will be issued when a qualification is achieved.

**Lodge Donations:** A Lodge reaches Patron status by paying £50 per subscribing member. For a Lodge to achieve Grand Patron status a further £1000 additional one-off donation will be required. To achieve the Grand Patron Gold a further £2500 one-off donation is required. To achieve the Grand Patron Diamond a further £5000 is required to be donated to the Fund.

**Province/District Donations:** Every Lodge within a Province/District must have achieved the required Patronage award for the Province/District to qualify.

Please note that your personal data will also be processed by your Lodge(s) and Chapter(s) as separate data controllers and you are referred to the '**Data Protection Notice – Lodges & Chapters**' issued by them.

In this Notice:-

- (a) "Freemason" includes both Craft and Royal Arch Masons (Companions).
- (b) "initiation" includes both initiation into the Craft and exaltation into the Royal Arch.
- (c) "Book of Constitutions" means the General Laws and Regulations of the United Grand Lodge of England and the Supreme Grand Chapter of Royal Arch Masons of England for the government of the Craft and the Royal Arch, respectively.

## **1. Use of your data during your application to become a Freemason**

As a candidate to become a Freemason, you consent to the processing, retention and sharing of your personal data for the purpose of assessing your membership application and any other Masonic applications you may make. You can withdraw your consent and request erasure of your data at any time prior to your initiation by notifying your proposer and seconder that you wish to cancel your application. Your data will then be erased.

## **2. Use of your data after you become a Freemason**

As a Freemason your data will be processed, retained and shared for any reasonable purposes required by the Book of Constitutions or the bodies it sanctions from time to time.

Please contact the Provincial Data Protection Officer (the Craft Provincial Grand Secretary), by post or email if you wish to:

- (a) Object to the processing of all or part of your personal data
- (b) Request access to your personal data
- (c) Request correction of all or a part of your personal data.

The postal address is:

Provincial Grand Secretary, Flat 6 The Links, 8 Queens Park West Drive, Queens Park, Bournemouth, Dorset, BH8 9BY

# Data Protection Policy

This data protection policy regulates how the Masonic Province of Dorset processes and stores personal data of its members. It applies to all employees, officers, members and volunteers of the Province. Its purpose is to ensure that the Province complies with the law and operates to high data protection standards.

In this policy:-

- (a) "Province" includes the Provincial Grand Lodge of Dorset, the Provincial Grand Chapter of Dorset, and all individual Lodges and Chapters in the Masonic Province of Dorset.
- (b) "personal data" means any recorded information which identifies a living individual.
- (c) "Book of Constitutions" means the General Laws and Regulations of the United Grand Lodge of England and the Supreme Grand Chapter of Royal Arch Masons of England for the government of the Craft and Royal Arch respectively.

## **1. Purpose**

As a membership organisation Province processes, retains and shares personal data of its members for the purposes set out in the **"Data Protection Notice – Province of Dorset"**, which is attached to this Policy. Where Province employs or contracts with a member it may also process, retain and share personal data of that member for all lawful purposes related to that employment or contractual relationship. Province shall not collect or store personal data of members for any other purposes.

## **2. Appointment of a Data Protection Officer**

Province has appointed a Data Protection Officer, who will oversee compliance with data protection law and will act as a point of contact for members and the Information Commissioner's Office (the **"ICO"**). The Data Protection Officer has a direct line of communication with the Provincial Grand Master for Dorset and the Most Excellent Grand Superintendent in and over Dorset. He shall have, or shall undergo, training to ensure that he has knowledge of data protection law and practices. The Data Protection Officer in the Masonic Province of Dorset is the Craft Provincial Grand Secretary who may be contacted using **[prgsec@dorsetfreemasonry.info](mailto:prgsec@dorsetfreemasonry.info)**

## **3. Members' Data Rights**

A member may request that the Data Protection Officer:

- (a) Provides him with a copy of all personal data that Province holds about him. The Data Protection Officer shall promptly provide a copy of all information required to be disclosed by law.
- (b) Rectifies any incorrect personal data held by Province about him. The Data Protection Officer shall promptly consider such a request and respond to it in accordance with the law.
- (c) Stops Province from processing some or all of his personal data. The Data Protection Officer shall promptly consider such an objection and respond to it in accordance with the law.

#### **4. Deletion of Personal Data**

A member may resign from all Lodges and Chapters in the Masonic Province of Dorset at any time. After it has processed such resignation(s), Province shall delete the personal data that it holds about that member except:-

- (a) Records reasonably necessary to prevent the member from improperly re-applying for membership
- (b) Records of the member's career in Freemasonry for archive and historical purposes

#### **5. Sharing Data with Third Parties**

As a membership organisation Province shares:

- (a) Personal data of its members with the United Grand Lodge of England and the Supreme Grand Chapter of Royal Arch Masons of England
- (b) Personal data of members of each Lodge and Chapter in the Province with that Lodge or Chapter respectively
- (c) Personal data of its members with other Masonic Provinces, Lodges and Chapters under the constitution of the United Grand Lodge of England and the Supreme Grand Chapter of Royal Arch Masons of England

Except as specified in paragraphs 5a., 5b. and 5c. or as otherwise required or permitted by the Book of Constitutions or bodies it sanctions from time to time, Province will not share personal data of members unless it has the consent of the relevant member.

#### **6. Data Protection Notice**

Province shall publish a “**Data Protection Notice**” so that it is available to members. The Notice shall comply with the requirements of data protection law and among other things shall inform members how their personal data will be used by Province and how they may contact Province's Data Protection Officer.

#### **7. Data Security**

Province shall periodically review the security of its records and processing activities and shall take appropriate steps to ensure the confidentiality, integrity and availability of the personal data that it holds.

#### **8. Registration with ICO**

Province shall maintain its annual registration with the ICO.

#### **9. Reporting Breaches to the Data Protection Officer**

Actual or potential breaches of this Policy, or of data protection law by Province, shall be reported immediately to the Data Protection Officer. Breaches shall be reported if required via the Data Protection Officer to the ICO or directly to the member(s) whose data is affected. Normally the Data Protection Officer shall not report breaches without prior consultation with the Provincial Grand Master and/or the Most Excellent Grand Superintendent. Further information on Data Protection legislation can be obtained at the ICO website: [www.ico.org.uk](http://www.ico.org.uk)
